## School Dress Code Policy

### Respect ~ Honesty ~ Community

It is an expectation that all students enrolled at Elizabeth Grove School wear full dress code.

Clothing in line with the dress code should be worn at all times.

Students are clearly identifiable as members of this school community by:-

- Wearing of the school dress code as it reinforces school pride, respect and positive relationships.
- Allowing us to identify students and ensure a safe school environment that deters intruders.
- Having a practical and affordable dress code that maintains modesty, and enables students to participate in sporting activities.

The dress code is endorsed by the Elizabeth Grove Governing Council and complies with the regulations and guidelines set out by the DECD.
