PRINCIPAL'S REPORT

Dear Parents and Caregivers,

Welcome back to term 2! I hope you enjoyed the holiday break with your families. It is nice to see the students happy to be back and eager to jump into their learning.

Community Calendar

Our Community Calendar is updated regularly across the year. We have attached a copy to the next page for your information. Please also check the important dates on every newsletter. Please see the calendar for details.

Mother's Day Stall

Thank you to our Governing Council who will be running this stall on Friday the 9th of May for students to purchase gifts for their loved ones. We hope you get something special on Mother's Day and enjoy the day.

Hat Reminder

The SunSafe policy states that hats will be worn all year round. Please make sure your child has a hat.

Facilities upgrades

Planning work has begun on our admin block extension and bathroom renovations. As soon as they are confirmed I will share them with you. We are still engaging in the slow process of replacing our nature play swing structure, and also replacing the sound system in our gym.

School Improvement Review 2025

Teachers met at staff meeting to discuss our progress towards our school improvement areas of writing, mathematics, engagement in learning and community connections. Across term one we have had a strong focus on classroom routines and refined our teaching of syntax. We have adopted a consistent lesson structure in mathematics and are using a new assessment tool which will inform intervention across the school.

Staffing Changes

We are excited to welcome back Ashlee Dollman from her maternity leave. She will shadow Katie Martin (intervention leader) and will take over the role once Katie goes on maternity leave in term 2. Rachael Harron has commenced her maternity leave, and we wish her well. We are also welcoming Kieysha Heys to our SSO team in room 12.

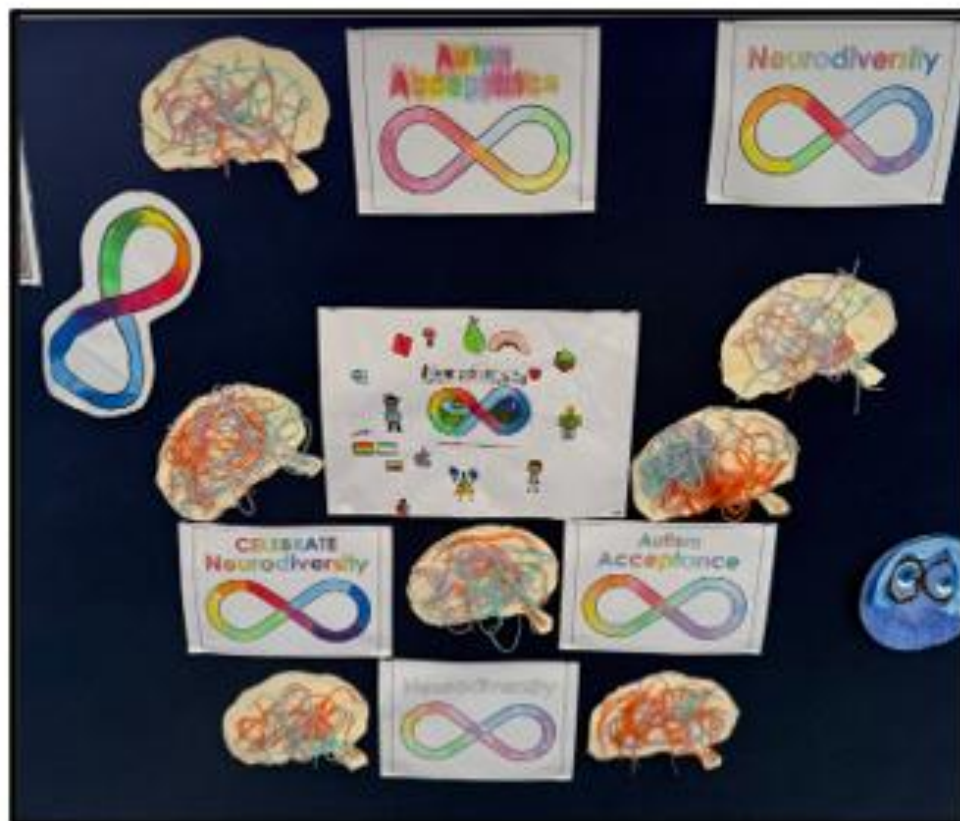

Kind Regards

Julie Brown, School Principal

HEALTHY BODY, HEALTHY MIND

Towards the end of Term 1, the students across the year levels learnt about neurodiversity. The students explored what neurodiversity may look, feel and sound like and what it means to have a neurodiversity affirming classroom and school. Many fantastic conversations were had, and the students enjoyed learning through movement and hands on activities.
